## WMAS

### 1 Oct 2009: Ettington CFR Scheme features in WMAS Staff Newsletter

Ettington CFR team features in the latest edition of the in-house West Midlands Ambulance Service (WMAS) staff newsletter. The piece reports on the recent success of the Spanish Fiesta fundraising event. As part of the piece, WMAS' Coventry & Warwickshire Community Response Manager, Ian Inglesant, says "Ettington's Community First Responders, based in South Warwickshire, are a fairly new group that have a real passion and are doing great fundraising events for their group. Keep up the good work, you are making a real difference".

There is also an article about the Spanish Fiesta in the October Edition of Warwickshire Life, page 32.
