Ettington CFR Team at Ettington Christmas Fayre

29 November 2009: Ettington CFR Team at Ettington Christmas Fayre

Ettington CFR Team had a stand at Ettington Christmas Fayre today, Sunday 29th November.

Thank you to everyone who came to chat with us and a big thank you to everyone who contributed to our fundraising by participating in the games on our stand. We raised £27.

We had two games; one was suitably themed; 'Operation'! Well done to all our winners who went away with some fantastic prizes which were kindly donated by local businesses.

The businesses which supported us at this event - by donating prizes - are all listed on the 'Our Supporters' page. Our sincere thanks to you all.

The team has a massive list of equipment which it urgently needs to purchase; this includes more specialist equipment for dealing with paediatric patients (we've been called to quite a lot of paediatric incidents recently) and additional sets of equipment - including defibrillators - for our two new First Responders who are due to go operational soon. If you can help boost our funds in any way - as a donation or by helping us to fundraise - we really would love to hear from you.
